Cafe Tsubaki (lit. meaning “Camellia”), on the lobby floor, was named after the Important Cultural Property and one of the most popular masterpiece of the Yamatane collection, Hayami Gyoshū's *Camellia Petals Scattering*. With a sunny space and a pleasant view of the ginkgo tree-lined avenue outside, we offer you a variety of menu such as special Japanese and Western sweets, light meals, and original beverages.

Among others, our wagashi, which is made by 'Kikuya' confectionery with a long and distinguished history in Aoyama, Tokyo, and inspired by the paintings from the exhibition on view, is another piece of art in this museum. The tranquil atmosphere of our cafe, with the refined Italian furniture by Cassina IXC., is a delightful place for you to be relaxed after enjoying the exhibition.
